

Transition Arrangements from 2021

This program is in teachout from 2021. Students who commenced prior to 2021 will be contacted by the Program Convenor and individualised teach-out plans will be developed; this may include completing the program with alternative courses or transferring to an alternate postgraduate program. **NOTE** – if you have not completed HLSC6106 prior to 2021 you will need to complete this course in Trimester 1 2021 as this is the final offering of this course.

The transition arrangements relating to changes to your program from 2021 are outlined below. If you have any questions regarding these arrangements and their impact on your enrolment please contact your Academic Program Advisor (programadvice@newcastle.edu.au).
