Integrated Geography Major Frequently Asked Questions

Does this change what I need to enrol in?

No. You still need to complete 40 units of compulsory courses, 30 units of 2000 level directed courses and 50 units of 3000 level directed courses to complete the Integrated Geography major.

Will this delay my graduation?

No. As the changes do not increase the total number of courses you need to complete, these changes will not delay your graduation.

I have completed a course that is no longer offered or a course that has had a name change, will this count towards my degree?

Yes, any courses successfully completed prior to 2021 will still count towards program and major requirements.

If you have any questions, please contact your Academic Program Advisor at programadvice@newcastle.edu.au.
