PROGRAM PLAN

GRADUATE CERTIFICATE IN DATA SCIENCE

To be eligible to graduate make sure you have completed 40 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses – 40 units
- The recommended duration of this program is 1 year part time study.
- Courses are offered in either Semesters or Trimesters and students can enrol in both Semester and Trimester courses concurrently however need to be aware of the overlap between Semesters and Trimesters. There is an overlap of several weeks where students will be completing both their Semester and Trimester enrolled courses simultaneously.
- Future course availability is subject to change.
- The maximum time to complete this program is 3 years.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
