

Guoxiu Wang, Ph.D. (Guoxiu.wang@uts.edu.au)

Distinguished Professor and Director
Centre for Clean Energy Technology
University of Technology Sydney (UTS)
Sydney, Australia

Professor Guoxiu Wang is the Director of the Centre for Clean Energy Technology and a Distinguished Professor at University of Technology Sydney (UTS), Australia. Professor Wang is an expert in materials chemistry, electrochemistry, energy storage and conversion, and battery technologies. Currently, he serves as a regional editor for **Polyhedron**, an Associate Editor for **Frontiers in Energy Research**, and an editorial board member for **Scientific Reports** (Nature Publishing Group) and **Energy Storage Materials** (Elsevier). Professor Wang is a member of the ARC College of Experts. His research interests include lithium-ion batteries, lithium-air batteries, sodium-ion batteries, lithium-sulfur batteries, supercapacitors, hydrogen storage materials, fuel-cells, graphene, and chemical functionalisation of graphene. Professor Wang has published more than 420 refereed journal papers with an h-index of 92. His publications have attracted over 28,000 citations (Google Scholar).
