## PROGRAM PLAN

# BACHELOR OF BUSINESS/BACHELOR OF COMMERCE

To be eligible to graduate make sure you have completed 240 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses – 80 units.
- Directed courses – 10 units.
- Major courses - 70 units (including all Compulsory courses and the required number of Directed courses for one Major sequence).
- \* The Marketing Major and the Leadership and Management Major do not require students to complete a 1000 level Major course. Students who have chosen one of these Majors need to complete an extra Elective instead of a 1000 level Major course.
- \* In 2018, 1000 level major courses replaced the previous Directed course list of ECON1002, IBUS1000, IRHR1002, LEIS1000, MNGT1002 or POLI1010. For students who commenced in 2016 or 2017 and already completed a Directed course, the 1000 level major course is not required.
- Accounting major courses - 60 units (including all Compulsory courses and the required number of Directed courses for one Major sequence from the Bachelor of Commerce). Students can undertake a major offered at Newcastle City but are advised to follow the relevant program plan.
- Electives – 100 units (maximum of 20 units at 1000 level). Visit the [Program Handbook](#) for more information. You may utilise your electives to undertake a Minor or third Major. Please refer to Newcastle City program plan if undertaking a double major in Commerce.
- You must ensure that each Major has 60 units of unique courses.
- Students must undertake at least 40 units at the 1000, 2000 level and 3000 level, with a maximum of 120 units at the 1000 level and a maximum of 100 units at the 2000 level. There is no maximum number of units at the 3000 level.
- The duration of this program is 4 year full-time (40 units per semester) or part-time equivalent.
- The maximum time to complete this program is 10 years.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
