Room X803

NUspace

Located in the heart of Newcastle's CBD on Hunter Street, our award-winning NUspace building is a modern addition to our City Campus. The building boasts inspiring architecturally designed spaces that capture stunning views of the harbour and the surrounding city landscape. Our venue spaces are suitable for a range of corporate events including board meetings, team workshops, and small conferences, as well as networking events. NuSpace venues can accommodate from 10 to 110 attendees.

The spaces are fitted with the latest AV technology and include a projector, screen, microphone, and smart board. Some spaces also include videoconferencing or Zoom capabilities.
