The impact of flooding in the “Lismore floods” on women and their health and well-being and the helping response: the role of social work.

Participant Consent

I agree to participate in the above research project and give my consent freely.

I understand that the project will be conducted as described in the Participant Information Statement, a copy of which I have read and retained.

I understand that I can withdraw from the project as explained in the Participant Information Statement, and I do not have to give any reason for my decision to withdraw.

I consent to **participating in** (select only the activities you agree to participate in):

participating in an interview and having it recorded.

participating in a focus group and having it recorded.

I understand that my personal information will remain confidential to the researchers, except as required by law.

I have had the opportunity to have questions answered to my satisfaction.
