INFORMATION FOR STUDENTS WHO COMMENCED IN THE BACHELOR OF COMMERCE [40029] PRIOR TO 2023

There are changes to the program in 2023.

The University is incorporating Work Integrated Learning (WIL) into all undergraduate programs as a 10-unit course for students commencing in the program from 2023 onwards. Within the Bachelor of Commerce, the options are BUSN3002 – Industry Placement or BUSN3500 – International Work Placement in Business.

WIL provides students from all disciplines and backgrounds with the opportunity to gain real world work experience and improve employability outcomes.
