INFORMATION FOR INDIGENOUS-IDENTIFIED SCHOLARSHIPS

This scholarship is specifically identified for Aboriginal and/or Torres Strait Islander students. To be considered for this scholarship, you'll need to complete a separate process to establish your Aboriginal and/or Torres Strait Islander identity and heritage with the University.

If you have already established your status, you do not need to complete this process again for scholarships (or any other university supports) as the Scholarships Office will already have the necessary information.

If you are new to this process, you can:

- find out how to establish your Aboriginal and/or Torres Strait Islander status by visiting the Wollotuka Institute's [study with us page](#)
- read about the required documents in the [Aboriginal and/or Torres Strait Islander - Establishing Status within the University Procedure](#)

We recommend you get this process underway as soon as you know you want to study with the University of Newcastle.

Important: You do not need to upload documents for establishing status within the scholarship portal.

Selection is a competitive process and will be based on assessment of the scholarship application and any required supporting documents, with reference to the eligibility criteria.

The Selection Panel will communicate the details of successful recipients to the Scholarships Office, and all applicants will be notified of an outcome via email within 6 weeks of the scholarship application closing date. Where there is only one eligible applicant for a scholarship, the Scholarships Office may award without referral to a selection panel, in consultation with the Office of Alumni and Philanthropy.
