## PROGRAM PLAN

# BACHELOR OF PHARMACY (HONOURS)

To be eligible to graduate make sure you have completed 320 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses – 310 units
- Electives – 10 units, visit the [Program Handbook](#) for more information
- The duration of this program is 4 years full-time (40 units per semester)
- The maximum time to complete this program is 6 years.
- In year 4 students will enrol in either a Graded or Ungraded Honours stream. Eligibility for the Graded Honours stream will be considered by the completion of Year 3.
- This program contains clinical/professional placements. Students must meet [NSW Health Verification Requirements](#) and obtain an approved First Aid Certificate.
- Transition information – students commencing this program prior to 2019 may be affected by transition arrangements. Please refer to the [Program Handbook](#) for further information.

### Transition Arrangements 2021 onwards

- \* CHEM2201 Analytical and Medicinal Chemistry was replaced by PHAR2103 Introductory Clinical Pharmacotherapy from January 2021. The semester of offer will change to Semester 1. Students who have not completed or received credit for CHEM2201 prior to 2021 will need to complete PHAR2103.
- \*\* There will be a change in the Semester of offer for the following courses from January 2021: PHAR2101 moved to Semester 2, PHAR2102 moved to Semester 2 and PHAR2202 moved to Semester 1.
- \*\*\* PHAR3204 Research Methodology and Health Technology Assessment was replaced by HUBS2407 Experimental Design and Laboratory Skills in Medical Research from January 2021. Students who have not completed or received credit for PHAR3204 prior to 2021 will need to complete HUBS2407.

Some courses have assumed knowledge and/or requisites, please refer to the individual [Course Handbook](#). Please refer to the [Program Handbook](#) for specific information on program structure. If you are intending varying from this program plan please seek advice from your [Academic Program Advisor](#).
