4.1.2 Should a recipient wish to reject an offer of scholarship, it is the recipient's responsibility to inform the University.

4.2 Scholarship offers will be made based on eligibility. All determinations of eligibility are aligned to the University's published entry and eligibility processes and made at the discretion of the University.

4.3 The University reserves the right not to award the scholarship.

4.3.1 The University reserves the right to withdraw or amend the offer of scholarship if the applicant is subsequently deemed to be ineligible, the applicant is in breach of the terms of the scholarship offer, or the scholarship is no longer offered.

5.0 CONDITIONS OF AWARD

5.1 The scholarship is payable for the number of units required to complete the eligible program as specified in the University's [program handbook](#). This excludes units awarded as credit or 'Recognition of Prior Learning' and credit granted after the commencement of a program.

5.2 The scholarship must be taken up for the program (including master programs packaged with a graduate certificate or graduate diploma program).

5.2.1 If a recipient defers their offer to a future intake, scholarship eligibility will be reassessed prior to commencement and is not guaranteed.

5.2.2 If a recipient applies for an internal transfer to an alternative program or campus, scholarship eligibility will be reassessed and is not guaranteed. Students will not be eligible for a scholarship with a higher benefit than the original scholarship granted.

5.3 The scholarship provides an international tuition fee waiver and does not cover the cost of visas, Overseas Student Health Cover, travel, accommodation, medical and living expenses, amenities fees, books, study materials, or any other expenses associated with studying at the University.

5.4 The recipient must pay the appropriate tuition fees within the stipulated payment deadlines and must remain in good financial standing with the University.

5.5 The recipient must remain compliant with their visa conditions, including but not limited to the requirement to maintain a full-time study load if holding a student visa, unless approval is obtained for a reduced study load (visit the University's [webpage](#) for additional details).

5.6 The recipient must maintain international student status during their enrolment at the University. The scholarship will be terminated if the recipient ceases to be an international student as defined under the Migration Regulations 1994.

5.7 The recipient must maintain a consistent level of academic achievement for the program of study. If a recipient does not maintain a Grade Point Average (GPA) of at least 4.0 (pass grade) throughout their enrolment, eligibility for the scholarship will be reassessed and the scholarship may be cancelled. Reinstatement of the scholarship will be at the discretion of the University.

- 5.8** The recipient may be required to participate in marketing activities for and on behalf of the University, which may be published on the University’s website or used for other promotional purposes.
- 5.9** The recipient must be willing to be featured in such promotional collateral produced by the University and be involved in promotional activity arranged by the University. Recipients of this scholarship acknowledge and accept these terms and conditions and consent for their image and / or testimonial to be used for promotional purposes.

6.0 BENEFIT

- 6.1** The scholarship is based on a fixed value for each year of study under a standard full-time study load (80 units) apportioned over each course taken.

Table 1 outlines the scholarship value available to the recipient. It is applied on a pro-rata basis, taking into consideration approved reduced study load arrangements, credit exemptions, recognition of prior learning, progression, or partial-year program enrolments.

Annual Scholarship Value	A dollar value equivalent to 20% of the gross Indicative Annual Program Fee for students taking the prescribed ('full-time') study load. Students with approved reduced load will be eligible for a pro-rata value based on number of units undertaken.
Unit Value (based on 10 units)	A dollar value equivalent to 20% of gross unit value. (variable based on program of study)

Table 1: Maximum scholarship value (AU\$) available.

- 6.1.1** The scholarship will be administered for each term of study in the eligible program(s) as a tuition fee reduction against the number of units required to successfully complete the program of study as specified in the University’s [program handbook](#).
- 6.1.2** For programs requiring over 80 full-time study loads for each year of study, the applicable unit value noted in Table 1 will be paid for each additional 10 units.
- 6.1.3** Where offers to a Master program are packaged with a Graduate Certificate or Graduate Diploma, the scholarship is payable for both programs undertaken by the recipient. Students enrolled in a standalone Graduate Certificate or Graduate Diploma are ineligible for the scholarship (as noted in Section 3.2.2)
- 6.2** Should a recipient need to retake units or take additional units to complete the program that exceeds the units of study indicated in the initial COE (the scholarship benefit has been exhausted), the scholarship benefit will no longer be applied to the remaining units of study required to complete the program.
- 6.3** The scholarship benefit will be applied as tuition fee waivers directly into the recipient’s University student account.

- 6.3.1 This will reduce the tuition fee liability by the scholarship benefit amount for each term of the program of study, provided the conditions of the scholarship are maintained. Benefit amount will be calculated on the number of units the recipient is enrolled in at the Census date for each term.
 - 6.3.2 Recipients will be billed for normal tuition fee rates based on enrolment load leading into census date of each eligible term for which the benefit applies. The tuition fee waiver may not be reflected on tuition fee account until census passes. After census date, a fee waiver will be applied to the recipient's student account.
 - 6.3.3 The scholarship has no monetary value and cannot be redeemed as a cash payment in the event of a recipient's enrolment being withdrawn or cancelled. Any refund of tuition fees to a student upon withdrawal before completion of a program will not include any scholarship benefit originally offered by the University.
- 6.4** Any overpayment by the recipient will remain in the tuition fee account to allocate to the next term's fees.
- 6.4.1 A recipient who has completed their full program of study can apply for a refund of unallocated fees.
 - 6.4.2 If a recipient withdraws from the program of study, the scholarship value (which was applied as a fee waiver to the student account) will be retained by the University and is not refundable to the recipient.

7.0 SUSPENSION OF SCHOLARSHIP BENEFIT

- 7.1 A recipient may apply in writing for a suspension of the scholarship benefit because of illness, injury, or other extenuating circumstances. All applications must be supported by appropriate documentary evidence for the request to be assessed. The University reserves the right to decline the suspension request.
- 7.2 Periods of suspension approved in writing by the University shall not reduce the tenure of the scholarship.

8.0 TERMINATION

- 8.1 A scholarship shall terminate before its due date of conclusion if the recipient:
 - 8.1.1 Fails to fulfil any of the conditions of the scholarship, or
 - 8.1.2 Relinquishes the scholarship, or
 - 8.1.3 Ceases to be an international student at the University, whichever first occurs.

9.0 APPEALS

An applicant for, or recipient of, a scholarship may appeal in writing to the University, if they believe that procedures followed were deficient, defective, or unfair. The University will provide a written response to the appeal within 20 business days of receipt.

10.0 VARIATION

The University reserves the right to vary any of the provisions of these conditions, where satisfied that circumstances warrant variation. The University, at its absolute discretion, may vary or withdraw the scholarship for commencing (i.e. not yet enrolled in a program of study) students. Written confirmation of any adjustment or cessation of the scholarship will be provided to applicants prior to the commencement of their program of study.
