

# TRANSFER OF PROGRAM APPLICATION FORM

Use this form to transfer your degree program. This may be a 'sideways' transfer – resulting from a major change in research topic – or an upgrade from an MPhil to PhD (or vice-versa).

Approval is required from your Principal Supervisor, the Head of School/Nominee and the Assistant Dean Research Training.

Note that candidates who upgrade into a new PhD program must be confirmed at that program level. It is recommended that transfers from MPhil to PhD are undertaken as part of the [confirmation process](#). If this is the case, the transfer will be approved by the Confirmation Committee and you are not required to complete this form.

**Note for Iranian Citizens:** Per [Student Visa Condition \(8203\)](#), you must not change your program of study, or your thesis or research topic, unless approval is given by the Department after it has obtained an assessment from the competent Australian authorities. Evidence of your approval must be submitted with this request.
