Brennan Room

Located in the Shortland Building at Callaghan Campus and offering a beautiful outlook of the surrounding trees, the Brennan Room is the perfect place to celebrate medium to large scale events for both corporate and private occasions.

Easily one of our most popular rooms for numerous events at Callaghan. The space consists of two large drop-down screens with ceiling mounted projectors, a built-in audio system and a flexible stage. The room caters for 100 to 400 attendees and allows for a sit-down event with room for a pre-dinner cocktail area.

The Brennan Room can also be combined with the McLarty Room to increase the capacity to 430 for a sit-down event. It is located right near kitchen facilities ideal for catering for large scale events.
