Comprehensive Program Review – Terms of Reference

The review will consider, as a requirement of the Higher Education Standards Framework 2021:

1. Curriculum

- 1.1. The design and content of the program.
- 1.2. The expected Learning Outcomes and students' achievement of these outcomes.
- 1.3. The methods for assessment.
- 1.4. Emerging developments in the field of education.
- 1.5. Modes of delivery.
- 1.6. Changing needs of students.
- 1.7. Identified risks to quality within the program.

2. Teaching and learning

- 2.1. The quality of teaching.
- 2.2. Students' progress and the overall delivery of courses within the program.
