The screenshot shows the 'myHub' interface for 'My Summer/Winter Enrolments'. The page header includes the University of Newcastle Australia logo and the 'myHub' branding. The main content area has a tab labeled 'My Summer/Winter Enrolments' and instructions: 'Please select the Summer/Winter terms you would like to enrol in. You will only be able to select terms from this list that you are eligible for. If the selection for the term is 'greyed out' you have already been activated in that term.' Below this is a table with the heading 'Select a term then click Continue.' The table has columns for 'Career', 'Term', 'Start Date', and 'End Date'. The first row is selected with a checked checkbox and shows 'Undergraduate', 'Summer 1 - 2018', '20/11/2017', and '09/02/2018'. The second row is unselected and shows 'Undergraduate', 'Summer 2 - 2018', '08/01/2018', and '16/02/2018'. A 'Continue' button is visible below the table. A modal dialog box titled 'Message' is overlaid on the page, containing the text 'You are about to enrol in the term(s) you've selected. Please confirm. (21600,587)'. The 'OK' button in the dialog is highlighted with a red rectangle. A 'Return to myHub' button is located at the bottom right of the page.

Even if you do not enrol right away, you are still eligible to enrol in the Summer or Winter term you have chosen. If the term is greyed out, you are already eligible to enrol and you can come back and enrol at a later time.

This screenshot shows the same 'myHub' interface as the previous one, but the 'Continue' button is now disabled (greyed out). The 'OK' button in the confirmation dialog is no longer visible. The 'Return to myHub' button remains at the bottom right.
