Bhutan Study Guide

UNIVERSITY OF
NEWCASTLE
AUSTRALIA

Advance your leadership journey at the University of Newcastle.

Ranked in the **top 1% of universities worldwide***, the University of Newcastle is a globally recognised institution with a strong focus on development impact, practical learning and real world outcomes. We have a long standing partnership with the Australia Awards program and a dedicated support team to guide scholars throughout their study journey.

Our engagement in Bhutan is built on strategic, institution to institution partnerships and close alignment with priority development areas agreed between the Governments of Australia and Bhutan. Key areas of collaboration include accounting and finance capability, agricultural innovation and food security, education leadership and STEM development, law and governance, disability inclusion, business innovation and entrepreneurship, data science and artificial intelligence, structural engineering and infrastructure, and sustainable tourism development. Through sustained collaboration with Bhutanese institutions and government partners, Newcastle contributes to capacity building, workforce development and long term cooperation between Australia and Bhutan.

Australia Awards in Bhutan

Australia Awards Scholarships support emerging leaders from Bhutan to undertake postgraduate study in Australia and strengthen the knowledge, skills and professional networks needed to contribute to the country's long term development. The program invests in individuals with strong academic capability, leadership potential and a demonstrated commitment to advancing Bhutan's national priorities. Through advanced study and engagement with Australian expertise, awardees return equipped to strengthen institutions, enhance professional capability and contribute to inclusive and sustainable development across Bhutan.

Applications close on 30 April 2026 at 2.00 pm AEST.
