Applied Research in Health and Safety | **DIRECTED** |

Information correct as of November 2015 and subject to change.

Program Code: 12273  
CRICOS Provider: 00109J
To be eligible to graduate make sure you have completed 140 units (10 units = 1 course unless otherwise specified) which meet the following criteria:

- Core courses - 100 units.
- Directed courses - 20 units.
- The duration of this program is 3 years part time study. Due to subject prerequisites, this program cannot be completed full time.
- You have the option of taking the required 20 units of Directed courses alongside the Core courses at any point during your program, including during Trimesters. This may reduce your program length to 2.5 years part time.
- The maximum time to complete this program is 5 years.

Some courses have assumed knowledge and/or requisites, please refer to the individual Course Handbook. The Program Handbook has valuable information on program structure and requirements, if you are intending on studying part time or varying from this program plan please seek prior advice from your Program Advisor.
Master of Workplace Health and Safety Directed Courses

Subject to change - Please refer to the program handbook for up to date information.
