

ACFI1002: Accounting Practice 2023

MISSION: Our mission is to advance responsible and impactful business knowledge. To achieve our mission, we develop life ready graduates and build global and local partnerships through ethical and innovative practices.

OVERVIEW

Course Description

Accounting Practice extends both the knowledge and skills developed in Accounting for Decision Makers (ACFI1001). It examines the fundamental principles underpinning accrual accounting and financial reporting providing you with the technical skills of accounting, including the analysis, recording, preparation and interpretation of accounting information. Your understanding of the accounting professions' standards of practice will be further enhanced.
