

MISSION: Our mission is to advance responsible and impactful business knowledge. To achieve our mission, we develop life ready graduates and build global and local partnerships through ethical and innovative practice.

OVERVIEW

Course Description

This course explores issues related to organisational structural form, human behaviour and the management of people in organisations. It allows students to examine different perspectives on managing people and designing organisations, and to understand the determinants of interpersonal and team interactions in organisational environments. Attention focuses on the major theoretical, conceptual and empirical contributions relevant to designing organisations, and understanding and managing human behaviour within organisations. Case studies are used to assist students to relate content material to practical management.
