

ACFI2011: Financial Accounting for Reporting Entities 2024

MISSION: To develop a unique business school identity which is distinctive in the marketplace and provides a clear value proposition for students. This will be achieved by embedding the themes of entrepreneurship and innovation, digitalisation and data within our programs and embracing sustainability, work integrated learning and a commitment to social justice.

OVERVIEW

Course Description Financial Accounting for Reporting Entities develops two main themes for students. Firstly, it introduces various theoretical models of accounting and accounting policy choice and secondly it investigates selected applied issues in financial accounting. Students develop extended accounting knowledge and skills, analysing multiple sources of information to support their accounting outcomes and conclusions.
