

SOCA1200: Sociology of Health and Illness

Online

Semester 1 - 2024

THE UNIVERSITY OF
NEWCASTLE
AUSTRALIA

The School of Humanities, Creative Industries and Social Sciences is committed to providing an inclusive environment in which all cultures are accorded respect and all students and staff are expected to act with honesty, fairness, trustworthiness and accountability in dealings with others. The School recognises and respects the unique histories and cultures of Aboriginal and Torres Strait Islander peoples, their unbroken relationship with the lands and the waters of Australia over millennia, and the validity of Aboriginal ways of knowing. We are dedicated to reconciliation and to offering opportunities for Aboriginal and Torres Strait Islander peoples to access and succeed in higher education.

OVERVIEW

Course Description

This course will introduce students to the sociological study and understanding of health and illness, focusing predominantly on Australian society. The course will examine the causes, nature and consequences of major health inequalities, the ways that health and illness are experienced and given meaning, and the ways that health care is organised, used and experienced. Substantive topics may be drawn from a range of areas including the social distribution of health and illness; illness experiences; deviance and medicalisation; health and technology; comparative health care systems; the division of labour in the health workforce; ideologies of health, illness and inequality; complementary medicine; and health, politics and social change.

ASSESSMENTS

This course has 4 assessments. Each assessment is described in more detail in the sections below.

	Assessment Name	Due Date	Involvement	Weighting	Learning Outcomes
1	Group/Tutorial Exercises (10%)	Tutorials run in weeks 1-5 and 7-11.	Individual	10%	1, 2, 3, 4
2	Online quiz (10%)	Quiz opens at 9am on Thursday 4 April and closes at 9am on Thursday 11 April.	Individual	10%	1, 2
3	Essays/Written Assignments (40%)	Friday 10 May 11:59pm	Individual	40%	1, 2, 3, 4
4	Formal Examination (40%)	Formal exam schedule TBA (will be held in June)	Individual	40%	1, 2

Late Submissions

The mark for an assessment item submitted after the designated time on the due date, without an approved extension of time, will be reduced by 10% of the possible maximum mark for that assessment item for each day or part day that the assessment item is late. Note: this applies equally to week and weekend days.

Assessment 1 - Group/Tutorial Exercises (10%)

Assessment Type Description

Tutorial / Laboratory Exercises

Tutorial participation involves taking an active part in written exercises and discussions within the Canvas Discussion board. Tutorial exercises are designed to reinforce key concepts and help students to apply what they have learned in the lectures and readings.

Weighting Length

10%

Participation assessed over 10 tutorials. Brief answers to set tutorial questions are required. Follow the instructions in Canvas each week to see how many questions you need to contribute to answering.

Due Date

Tutorials run in weeks 1-5 and 7-11.

Submission Method

Post your answers to questions in the Discussion board in Canvas.

Assessment Criteria

Please refer to the tutorial participation rubric in Canvas.

Return Method

The lecturer will post general feedback when each tutorial closes.

Feedback Provided

Students will have the opportunity to assess their own participation, using the tutorial participation rubric in Canvas, and to discuss this with the tutor and receive feedback in Week 7 of the course. The final participation mark will be allocated by the tutor at the end of the semester

Assessment 2 - Online quiz (10%)

Assessment Type Description

Quiz

An online multiple choice quiz consisting of 20 questions. The quiz will test students' knowledge of Parts 1 & 2 of the course and help them to gauge their progress ahead of the larger assessment items.

- The quiz will be conducted online and contain 20 randomly generated multiple choice questions.
- Questions will be drawn from a question bank
- Backtracking will be allowed.
- There is a one hour time limit to complete the quiz once you start it.
- Each question is worth 0.5 marks.
- You must save your answers correctly and click 'submit' only when you have completed the quiz. If you do not, the quiz remains 'in progress' and if it is not completed within the due date will be awarded zero marks.

Weighting

Communication Methods

Communication methods used in this course include:

Course Evaluation

Each year feedback is sought from students and other stakeholders about the courses offered in the University for the purposes of identifying areas of excellence and potential improvement.

Oral Interviews (Vivas)

As part of the evaluation process of any assessment item in this course an oral examination (viva) may be conducted. The purpose of the oral examination is to verify the authorship of the material submitted in response to the assessment task. The oral examination will be conducted in accordance with the principles set out in the [Oral Examination \(viva\) Procedure](#). In cases where the oral examination reveals the assessment item may not be the student's own work the case will be dealt with under the [Student Conduct Rule](#).

Academic Misconduct

All students are required to meet the academic integrity standards of the University. These standards reinforce the importance of integrity and honesty in an academic environment. Academic Integrity policies apply to all students of the University in all modes of study and in all locations. For the Student Academic Integrity Policy, refer to <https://policies.newcastle.edu.au/document/view-current.php?id=35>.

Adverse Circumstances

The University acknowledges the right of students to seek consideration for the impact of allowable adverse circumstances that may affect their performance in assessment item(s). Applications for special consideration due to adverse circumstances will be made using the online Adverse Circumstances system where:

1. the assessment item is a major assessment item; or
2. the assessment item is a minor assessment item and the Course Co-ordinator has specified in the Course Outline that students may apply the online Adverse Circumstances system;
3. you are requesting a change of placement; or
4. the course has a compulsory attendance requirement.

Before applying you must refer to the Adverse Circumstance Affecting Assessment Items Procedure available at:

<https://policies.newcastle.edu.au/document/view-current.php?id=236>

Important Policy Information

The Help button in the Canvas Navigation menu contains helpful information for using the Learning Management System. Students should familiarise themselves with the policies and procedures at <https://www.newcastle.edu.au/current-students/respect-at-uni/policies-and-procedures> that support a safe and respectful environment at the University.
