

DIPLOMA IN BUSINESS

Completing the Diploma in Business lets you receive up to:

80 units of credit into the Bachelor of Business

70 units of credit into the Bachelor of Business Analytics

80 units of credit into the Bachelor of Commerce

Whether you can receive the full amount of credit will depend on your choice of major (if applicable) and which directed courses you complete in the Diploma in Business. Please refer to the information below to make sure you choose the right directed courses to maximise your credit into your chosen Bachelor degree program. For the full list of directed courses please see the [Diploma in Business program handbook](#). Please note that program structures can vary from year to year and that the credit you are eligible for at the completion of the Diploma may vary from what is listed in this document.
