## TRANSITION ARRANGEMENTS - INFORMATION FOR STUDENTS WHO COMMENCED IN THE PROGRAM PRIOR TO 2021

### Frequently Asked Questions

***Does this change what I need to enrol in?***

No. You still need to complete 20 units of core courses, a 10 unit Group A directed course, and a 10 unit Group B directed course. If you have completed a Group A directed course or Group B directed course that is no longer offered, it will still count towards your program.

***Can I still complete my program?***

Yes, you will still be able to complete your program.

***Will this delay my graduation?***

No. As the changes do not increase the total number of courses you need to complete, these changes will not delay your graduation.

***Can ENV56001 count as my Group A directed course and my Group B directed course?***

No. ENV56001 can count as either your 10 unit Group A directed course or your 10 unit Group B directed course but it cannot count as both.

***I have completed a course that is no longer offered, will it still count towards my program?***

If you have completed a Group A directed course or Group B directed course that is no longer offered, it will still count towards your program.

***Is the Master of Environmental Management and Sustainability still available?***

From 2021 the Master of Environmental Management and Sustainability has been updated and there is a new program code – 40275. Students who intend to apply for the Master of Environmental Management and Sustainability should review the updated program structure here:
