

THE UNIVERSITY OF
NEWCASTLE
AUSTRALIA

PROGRAM ADVICE AND SUPPORT

Postgraduate programs

GENERAL ENQUIRIES – 02 4921 5000 and [Ask UON](#)

If you are unsure who to speak to, or for any general enquiries, head to [Ask UON](#) or phone the University Enquiry line on (02) 492 15000. Staff can ensure your enquiry is directed to the appropriate person for support and action. You can also access the Student Central locations for information about the University's facilities, services and procedures. At each location, you can meet friends, use the computer and printing facilities, or grab a coffee and a bite to eat at one of the nearby retail outlets. They are also your pick up point for essential items like your student card and parking permit.

Locations:

- Shortland – Level 3, Shortland Building, Callaghan campus
- Hunter – Level 2, Student Services Building, Callaghan campus
- City – LG floor, NUspace, Newcastle City precinct
- Ourimbah – Ourimbah Library, Ourimbah campus
- Port Macquarie – B Block, Port Macquarie campus
- Sydney – 55 Elizabeth Street, Sydney

PROGRAM ADVISOR

Your Program Advisor can help you ensure you are following the requirements and structure of your program and provide support to help you be successful in your studies. They can assist you with questions relating to the progression in your degree; program variations due to changes in your program; provide advice about credit, study abroad and exchange; help navigating the supports at the University; and determine that you have successfully met the requirements of your program and are ready to graduate. If you wish to contact your Program Advisor you can email programadvice@newcastle.edu.au.

PROGRAM CONVENOR

Your Program Convenor is an academic staff member with overall responsibility for the management and quality of your program. Your Program Convenor is a good person to contact for advice on academic matters, including career advice and course recommendations to suit your interests and study plans. You will find a list of these for each program below.
